

Newfoundland & Labrador
Public Libraries

Eastern Division

September 3, 2024

The Brigus Public Library intends to undertake electrical repairs at the Brigus Public Library (7 South Street) in the fall of 2024.

Quotations are required as per the details below for the Brigus Public Library:

Quote to:

- Replace Westinghouse and Siemens Type QP breakers with Eaton Type BR breakers
- Replace all lighting fixtures with modern LED fixtures
- Install cover plates on all wiring devices where missing
- Install covers on all junction boxes where missing
- Support branch circuit wiring in attic

The successful bidder will be required to supply all necessary tools and equipment and will be required to maintain a safe worksite at all times.

- Companies or individuals must comply with all relevant occupational health and safety, or any other provincial or federal legislation that may apply.
- The successful bidder must provide proof of insurance before the commencement of the project.
- The lowest or any proposal received will not necessarily be accepted.
- For further information or to view the Brigus Public Library, please contact Sarah Bartlett

Deadline to receive quote: **Friday, September 20, 2024**. Quote can be forwarded via fax or email to the addresses below:
