

NOTICE TO RESIDENTS

May 29, 2026

Beginning the morning of Monday, June 1st, construction to replace the culvert beginning at 56 Southside Road will commence. We anticipate this taking 3-5 business days, barring any unseen complications.

Access beyond 56 Southside Road will be cut off during the duration of construction.

For residents affected: Please have your vehicle(s) free from the construction zone by Monday morning to maintain accessibility to Town and other services.

Sincerely,
